Capt. John Paton

55 Conrad Street NORTH RYDE NSW 2113

FISHING CHARTER ORGANISER

When.....Date...../...../20.....

The Boat: Both our deep sea fishing vessels were specifically built as Charter Fishing boats to fill the requirements of deep sea off-shore fishing anglers. The vessels are fitted with the latest electronic equipment including satellite GPS navigation plotters, sonar and radar. The vessels conform to USL (Universal Shipping Law) Code and carry all required safety equipment including life rafts and satellite detectable emergency 406mhz locator beacons.

The Skipper: Our skippers hold Coxswain, Masters as well as Marine Engineer qualifications. All hold marine radio operator licences. They are recognised by the IGFA (International Game Fishing Association) for their professional and ethical approach to fishing. Together they have secured in excess of fifty (50) angling records including ten (10) IGFA world records.

Crew: On most fishing trips the vessel carries a deckhand. Most are licenced with NSW Maritime, are First-Aid qualified and are experienced fishermen in their own right. They will help with tackle, fish handling and will assist with cleaning your catch.

Equipment: Each boat has rods with 9" Alvey Reels, Alvey Snapper winches, as well as Shimano Tiagra 30W, 50W and 80W game gear when required. Alvey Reef Queen Reels are carried, using latest drop line technology depths of up to 700 meters for Blue Eye Cod fishing trips.

Departs: 5.30am from Tonkin Street Wharf, Cronulla. Return: at approximately 1.30pm.
